

This parent support group hopes to increase awareness regarding children diagnosed with Autism or Pervasive Developmental Disorders and to create a network of information and support for their families.

The group meets the 2nd Thursday of each month. Meetings start at 7:00pm and last for approximately two hours. They are held at the Warren Special Recreation Offices.

For more information, please contact Eric Smith at (847) 543-4502, NEChapASI@aol.com or check out the web site at www.autism-society.org/chapter145
