

## **Waste Management Unlimited Yard Waste**

New for 2020 is TWO weeks of unlimited spring cleanup! Waste Management will collect unlimited containerized landscape waste at no charge to current customers the weeks of April 6<sup>th</sup> and April 13<sup>th</sup>. These dates are weather-dependent, so make sure to check the Township website closer to the date to ensure it has not been delayed. This collection will take place on your regular pickup day. This service is for unincorporated Warren Township road district residents (5-digit address). Collection requires that landscape waste be containerized in a Kraft-type paper bag not to exceed 50 lbs.; a rigid can not to exceed 32-gallons. Landscape waste must be placed at the curb or the edge of the road by 6:00 a.m.

Regular landscape waste collection through Waste Management's subscription service or sticker program will begin April 20<sup>th</sup>. Visit <https://www.warrentownship.net/departments/highway/yard-waste-program/> for more information. For more information on yard waste collection please contact Waste Management at (847) 395-2020.

## **Warren Township Road District Spring Leaf Collection**

Weather permitting, the Road District will be offering a three week leaf collection service for unincorporated Warren Township road district residents (5-digit address). The collection dates will be Monday, April 6<sup>th</sup> and run through Friday, April 24<sup>th</sup>.

Placement of leaf piles follow the same guidelines as Waste Management's Fall leaf collection program. The collection will not be on a pre-scheduled day. Residents are asked to have their leaf piles out by 6:00 a.m. every Monday. Leaves will not be collected after April 24<sup>th</sup>.

If you have any questions, please call the Highway Department office at 847-244-1101, Ext. 3.

## **Warren Township Road District Brush Removal Service**

Our chipping equipment runs weekly, year-round, weather permitting. Pick up days are not scheduled due to not knowing how much brush has been placed out for pickup.

Major guidelines to take notice of are as follows:

- The brush removal service is for residents who need to do a ***little trimming and/or pruning*** around their home.
- The service is not designed for residents who hire a contractor or landscaper to clear a lot, trim tree(s) or take down tree(s). If you hire a service it is the responsibility of the service provider to remove the brush.
- Any subdivision that has property that belongs to their homeowner's association (HOA), when trimming such property, it is the HOA's (contractor's) responsibility to remove the brush.

All guidelines for the removal service can be found on our website at [www.warrentownship.net/departments/highway/brush-removal/](http://www.warrentownship.net/departments/highway/brush-removal/)
